Mr Dean Wilson

18 August 2006

Dear Mr Wilson

Re: Complaint by you against Charlotte Eborall

Thank you for your completed complaints form and enclosures dated 17th August 2006.

Your complaint will now be considered by the Complaints Commissioner and we anticipate being in touch with you again during the course of the next two weeks to inform you of developments on this matter.

When sending us further documents to support your complaint, please do not send us originals. It is not safe to do so and we are unlikely to be able to return them. If there are good reasons why you are unable to supply us with photocopies, please contact us and we will consider whether we are able to assist you with this. Please note that we are not, in any circumstances, able to return copies of documents that you have sent us because we will need to keep these for our records.

It would be most helpful if you would quote the reference given above when you contact us about this matter.

Yours sincerely

PP
