Mr Dean Wilson

21 August 2006

Dear Mr Wilson

**Re: Complaint by you against Charlotte Eborall**

The Complaints Commissioner has now had a chance to consider your complaint against Miss Eborall.

The Commissioner has noted that the case from which the complaint arose is still proceeding. He considers that it would not be right for him to investigate this matter until these proceedings have been completed and he has, therefore, decided to adjourn the matter.

I should be grateful if you would let me know when the case is over so that we can return to our investigation into this complaint.

Yours sincerely

**Andrew Hill**
